

David Bimou / Guinea / Regional Credit Risk Analyst MBA FM program

„Looking back, I truly feel happy to have studied the MBA Financial Management. The program prepared and equipped me with the necessary tools to be competitive on the job market. The knowledge I gained from courses such as Corporate Finance and Financial Analysis, Applied Risk Management, Management Accounting, and Intercultural Management has helped me in handling various positions since I graduated.

The MBA Financial Management is a true stepping stone for anyone who aspires to leadership roles in international corporations.“
