## Topics & Topic Clusters

Between 2016 to 2018, researchers at Universidade Federal de Vicosa have contributed to:

- 617 Topic Clusters [Learn about Topics and Topic Clusters ↗](#)
- 2,167 Topics

COMP	Computer Science	MEDI	Medicine
MATH	Mathematics	PHAR	Pharmacology, Toxicology and Pharmaceuticals
PHYS	Physics and Astronomy	HEAL	Health Professions
CHEM	Chemistry	NURS	Nursing
CENG	Chemical Engineering	DENT	Dentistry
MATE	Materials Science	NEUR	Neuroscience
ENGI	Engineering	ARTS	Arts and Humanities
ENER	Energy	PSYC	Psychology
ENVI	Environmental Science	SOCI	Social Sciences
EART	Earth and Planetary Sciences	BUSI	Business, Management and Accounting
AGRI	Agricultural and Biological Sciences	ECON	Economics, Econometrics and Finance
BIOC	Biochemistry, Genetics and Molecular Biology	DECI	Decision Sciences
IMMU	Immunology and Microbiology	MULT	Multidisciplinary
VETE	Veterinary		

# UNDERGRADUATE

## Majors & degrees

### Center of Tech Sciences

Architecture  
Chemistry  
Chemical Engineering  
Civil Engineering  
Computer Science  
Electrical Engineering  
Food Engineering  
Land Surveying  
Mathematics  
Mechanical Engineering  
Physics  
Production Engineering

### Center of Humanities, Letters & Arts

Accounting  
Business  
Administration  
Dance  
Economics  
Elementary Education  
Executive Secretarial  
Geography  
History  
Home Economics

### Center of Agricultural Sciences

Agribusiness  
Agronomy  
Animal Science  
Agric. Economics  
Agricultural  
Engineering  
Environmental  
Engineering  
Dairy Science  
Forestry

### Center of Biological Sciences

# Academic year

Semester-based system  
Regular classes

## Brazilian Culture & Portuguese Language

- Intensive training (May / June):
  - Basic level
  - 60 hours in 4 weeks
  - ~ US\$ 100,00, books included
- Regular classes:
  - Basic & intermediate levels
  - 60 hours in 4 months
  - Free of charge for exchange students

### ***Regular classes:***

- First term: March – June
- Second term: August – November
- most classes in Portuguese -

### ***Classes in English:***

- Graduate level
- Undergraduate level

List available at:

*[www.dri.ufv.br](http://www.dri.ufv.br)*

# When to come, housing & costs

## Costs:

- No tuition fees for exchange students
- MS and PhD students eligible for regular Brazilian scholarship :
  - US\$ 450.00 / month for MS
  - US\$ 600.00 / month for PhD
- university restaurant meals:
  - < US\$ 1 for undergraduate and graduate students
- room in a student house:
  - around US\$ 120.00 / month

## Internship / short visits:

- ***Foreign students:*** anytime during the academic year;
- ***Applications:*** must indicate area of interest;
- ***Academic advisor:*** will be provided
- ***Activities:*** research/field/lab in an English-speaking environment

## Housing:

- No housing for foreign students.
- University Ambassadors help with housing and other practical issues
